

Find your own lyrics

For this assignment, you are going to find some music lyrics that you like/stand out/think are poetic. This may take some looking around....

After you have found **2 songs**, you are going to go through the lyrics and find **5-7** poetic devices. You can use the same poetic device more than once.

Copy the song lyrics into a Word Document, and highlight or underline the song passage and tell me what poetic device it is.

For example, if you found a song lyric that says “tick tick tick tick on the watch and life’s too short for me to stop” (*Bulletproof* by La Roux) then you need to highlight that line in the song, and tell me what device it is (onomatopoeia).

Some no-brainer guidelines:

- The songs must be school appropriate (this means no swearing, violence or offensive language)
- The entire song must be gone through and analyzed
- Include the song title and the artist at the top of the page
- Be sure to have your name on the page
