

Poetic Analysis

I looked up and you were there
just sitting there all alone
holding your fist in the air
like, if you need me you're on your own

You drove me home through a snowy tomb
I fell asleep in my seat
I had the dream of having no room
you were there just staring at me

I hear your voice 'cross a frozen lake
a voice from the end of a leaf
saying, 'you won't die of a thousand fakes
or be beaten by the sweetest of dekes'

Oh to join the rush
as the season builds
Jump into the rush
as the seasons build

You drove me home through a snowy gloom
and I fell asleep in my seat
then I had the dream of having no room
you were there just staring at me
